I didn't know I had hired a 'bad tax' guy until the IRS contacted me 2 years later telling me I owed money! At that point, I wanted a refund of my tax preparation fees. So, I wrote 3 letters requesting my money back and received NO response. At some point in the process, I got a freshbenies membership and decided to use the Legal Service to help resolve this mess. I simply called a 1-800#, explained my issue and they put me in touch with a lawyer. The lawyer wrote a letter AT NO CHARGE TO ME and I immediately received a response and a full refund from 'bad tax guy'. Thanks freshbenies! — John from TX
